ARROW, UNESCO & UNFPA, will hold the Regional Asia-Pacific Multi-Stakeholder Dialogue and Exhibition on Comprehensive Sexuality Education (CSE) 2020, to facilitate learning exchange among stakeholders including governments, CSOs, and sexuality education organisations around initiatives and innovative approaches to ensure continuity of learning on CSE for 'building back better' in crises and recovery from COVID-19 in Asia and the Pacific Region.

The event will also launch the Asia and the Pacific Sexuality Education Virtual Exhibition (APSEVE) 2020. This virtual exhibition will be a diverse and vibrant space that will showcase a range of innovative sexuality education initiatives from the region.
